

Listed are all the B&B and hotels I am aware of in Dillingham. I have stayed with Dillingham hotel, Bristol Inn, Fireweed and Beaver Creek. The hotels are functional but not necessarily vacation material. Fireweed and Beaver Creek are more comfortable than Hotels but a little more isolated as the hotels are in the downtown area. I understand the other B&B are fine also.

The Fireweed is probably the most comfortable and cost effective for 4 to 6 guests but Beaver Creek has more options as they have several homes.
